Subject to last Will

Should I be killed, or should I contract with me be lost for a period
not less than two years from the time of the last contract -- whether personal
or by wireline telegraph -- I want that the insurance money that will
then become the property of my estate, as the accumulated amount of my
salary be paid in cash to the appropriate persons of the United States
Government, and that the sum be paid to the persons of the United States
beneficiaries.
